

COMMUNITY SERVICE ANNOUNCEMENT

The Rotary Club of Strathalbyn The GREAT DUCK RACE 2019 30th Anniversary Race Sunday November 10

The 30th Anniversary Great Duck Race is on Sunday the 10th of November at the Strathalbyn Memorial Garden here in Strathalbyn.

This is a family fun day which has been going for around 30 years. Steam Ranger is putting on a special train service from Mt Barker for the day.

The event starts at 11:00am. The corporate duck race will see 100+ decoy ducks dressed up by local businesses and clubs judged on looks and speed as they race for bragging rights.

At 1pm the duck boat will be fired up for the main event where 2500 yellow plastic ducks will race down the river with the winning duck providing its ticket holder a \$1,000 cash windfall. Cash prizes also for 2nd and 3rd place. Cluck a Duck will be excitedly waiting at the finish line.

The 10' high "Moby Duck" is showing himself at Strathalbyn, Mount Barker, Goolwa and at various spots around the Fleurieu, so keep an eye out for him.

The day concludes at 2:30pm so those Steamranger passengers can return to the station.

Proceeds of this event will flow like the Angus River into our local community and Rotary International projects such as End Polio, a project partnering with Bill & Melinda Gates to completely eradicate Polio from the world.
