Speaker - D'Arcy Walsh

Speaker for this week's meeting was immediate past President of the Rotary Club of Adelaide, D'Arcy Walsh. D'Arcy had an amazing career as an educator and worked in many locations including The Philippines, Pakistan, India, the Maldives, Jerusalem, Papua New Guinea, Mongolia and Kiribati. His talk was entitled 'Kiribati, a country on the edge'.

D'Arcy gave an enthralling talk on the many problems facing this tiny country. Having lived all my life here in Australia I was gob smacked at the tenuous way of life of the 106 thousand people who call this place their home and in these uncertain times of climate change how they may not be able to for too much longer.

This to me is one of the brilliant aspects of being a Rotarian. Thanks you D'Arcy and his lovely wife Carol for making the time to visit our club. You made an impression that may never fade.

New Member - Vin Leeton

It was great to finally welcome Vin Leeton to our club. Vin is pictured here with President Peter and his sponsor, past President Jim Pilkington. Welcome Vin.
